

# KANI CITY

## How to sort and dispose of household garbage/trash

Kani City Hall  
Environment Division

# Garbage/trash disposal rules

Dispose of garbage/trash at the designated collection site, before 8 AM of the collection day, by using the city official bag below. (Do not use shopping bags)

**Separate burnable and non-burnable garbage/trash. Write down your name and district on the bag.**

↑ Burnable garbage/trash bag

↑ Non-burnable trash bag

# Burnable Garbage/trash

- Food waste (vegetable peel, leftovers, etc.)

- Paper, clothes

- Dirty PET bottles

- Plastic (except hard and thick plastic items)

Collected 2 times a week (even on national holidays).

# Non-burnable trash

Separate non-burnable trash into 4 categories

## ① Metal

- Appliances (remove battery)

- Hard Plastics

- Metal items, etc.

❌ Spray cans: **Puncture and extract contents** before disposing.

## ② Oversized Garbage (*sodai gomi*)

Items that do not fit in the garbage bag, not larger than **150cm×80cm×60cm and up to 20kg**).

Attach an oversized garbage sticker and dispose it at the designated collection site.

Stickers can be purchased at city hall, district centers, supermarkets, drug stores and convenience stores.

(¥520/piece)

↑ Oversized garbage sticker

Eg. Bicycle, comforter (futon), shelf, etc.

(Please write down the name and address)

※Metalware and oversized garbage are collected on the same day.

### ③ Glassware

- Glassware items
- Broken glass

### ④ Ceramic

- Plate, bowl
- concrete

Metalware, oversized garbage and glassware are collected once a month and ceramics are collected once in 2 months. Please refer to the garbage collection schedule for more details.

# WARNING!
