FROM SEPTEMBER 1st

9月1日から

60km/h → 30km/h

What is a residential road?

A residential road is a relatively narrow road such as a road without a center line or divider primarily used for the daily lives of local residents.

The statutory speed limit for the following roads remains 60km/h

- General roads with a center line or designated traffic lanes indicated by road signs or markings.
- A public road where traffic in opposite directions is physically separated by the road structure, guardrails or by structures such as fences
- Roads other than the main carriageway, acceleration and deceleration lane of expressways
- Motor-Vehicle-only roads
